\*\* RE: Color: If your artwork was submitted in PMS colors, it will be automatically converted to CMYK. If color matching is essential, please request a test strip, or provide a printed sample for us to color match (ie: stationery, etc). This will add 4+ days to your production schedule, but will ensure a match closest to your preferred color. Ultimately, because we print in CMYK, we cannot guarantee an exact PMS Match.

Your order will typically ship in 4 business days after the date we receive your faxed approval.
