

Dynamic Donation Stand Features

A large banner header allows you to create and customize your own graphics for branding and promotion.

Donors insert coins into one of four coin slots and watch them travel a path through an action field into a wall of money below

■ Bills are easily collected through convenient bill slots

Money easily empties at the bottom of the Donation Stand
Donations are well secured with a sturdy padlock

The Donation Stand can be easily secured to a permanent fixture for added security for the entire unit
