Parts List

Important: Before you begin please count and inspect all pieces.

- 2- Graphic Banner (B)
- 5- Graphic Banner (C)
- 1- Graphic Banner (D)
- 1- Graphic Banner (G)

Assembly Instructions

Step 1

Step 2

Please note that graphic banner (D) has two additional hole slits located in the center that need to be attached to frame.

See Step 3 for banner placement specifics.

Assembly Instructions (cont.)

Step 3

Banner B attaches to the front of the frame with the top two corners and the back of the frame on the bottom two corners. Or this can be reversed with the bottom two corners in the front and the top two corners in the back.

Banner C attaches to the front of the frame with the right two corners and the back of the frame with the left two corners. Or this can be reversed with the left two corners in the front and the right two corners in the back.

Banner D attaches vertically only to the front of the frame with all six peg holes.

Banner G attaches diagonally to the front of the frame with all four peg holes.

Graphic Placement

Banner B

Banner C

Banner D

Storage Instructions

Store in a cool dry environment. Make sure that all graphic banners are dry before storing.

Care Instructions

Graphic banners are machine washable. Tumble dry low.
