

Hybrid Pro Modular Kit 18

HP-K-18

Hybrid Pro™ Modular exhibits and counters are a perfect solution for the serious exhibitor. Exhibits feature heavy-duty aluminum extrusion frames and push-fit fabric graphics. Count on making an unforgettable impact with Hybrid Pro Modular exhibit kits, counters, and accessories.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.

features and benefits:

- 11'10" tall square shaped island display
- Silver aluminum extrusion frame
- 16 single sided push-fit fabric graphics
- White laminate panel counter
- 16 Lumina 200 LED floodlights
- 8 Literature holders attach to extrusion
- Kit includes frame, sixteen fabric graphic panels, one white laminate counter, eight literature holders, sixteen 200 LED floodlights and one woodcrate
- Reception counter and flooring not included
- Lifetime hardware warranty against manufacturer defects
