Assembly Instructions

Step 1

Take the base panel (A) and place it upside down, so shelf hooks are facing down.

Step 2

Attach the base shelf (D) over the edges of the base panel (A).

Step 3

Secure the base shelf (D) by pulling out on the edge and placing the locking tab into the hole cut out of the base panel (A). Repeat on the other side.

Assembly Instructions (cont.)

Step 4

Set the base panel (A), with base shelf (D) attached, right side up.

Step 5

Place the middle shelf (E) on top of the shelf hooks.

Step 6

Attach the top shelf (F) the same as the base shelf (Steps 2-3).

Step 7

Assemble the poles (C) by inserting the smaller end into the other pole. Do this with both poles.

Step 8

Place the assembled pole (C) through the hole on the top shelf (F), resting it on the indent of the middle shelf (E). Repeat with other pole (C).

Step 9

Place the header panel (B) on top of the poles (C).

Disassembly Instructions

Step 1

Remove the header panel (B) from the poles (C).

Disassembly Instructions (cont.)

Step 2

Lift the assembled poles (C) out of the top shelf (F) and disassemble by pulling apart .

Step 3

Remove the top shelf (F) by pulling out and lifing up on the edges.

Step 4

Warranty Information

All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
