## Vehicle Base for Sail Signs

#### **Product Parts**

1 - Base

2 - Connector 3 - Pole Insert

- 4 Split Lock
- 5 Hex Nut

## **Display Set-Up**

#### Step 1

Remove the parts from the boxes and place on a clean, flat surface.

### Step 3

While holding the Connector (2) in place, put the Base (1) on it's side.

Insert the shorter end of the Pole Insert (3) through the hole of the Base (1) and Connector (2).

Finish by threading on the Split Lock (4) and Hex Nut (5). Tighten until secure.

### Step 5

Slip the pole of your sail sign over the pole on the Cross Base (1) to attach.

# Step 2

Open the Base (1) and flip it so that the flat side is laying on the surface. Line up and fit the Connector's (2) knobs into the slots in the Base (1).

### Step 4

Place Assembled Base (1) under the vehicle's tire, with a leg in the front and back.

### Step 6

Your Sail Sign is now ready to display.

### Storage

Take apart the Vehicle Base and place all of the base parts along with the sail sign into the Sail Sign's Carry Case. Store in a cool, dry location.

### Care

To clean, wipe with damp cloth.

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion. Not responsible for damage to vehicles.
