

Converting Instructions (Convertible Table Throw Option)

Step 1

Place table throw over table. Position table throw with top seam at rear of table.

Step 2

Grasp the hook and loop tab closest to front of table. Align fabric and begin rotating fabric toward the back of the table.

Step 3

Wrap throw tightly around top edge of the table. Attach hook tab to loop tab on back of throw. Repeat process for other side of throw.

Step 4

Attach remaining hook tab and attach to loop tab found underneath the top, back edge of table throw. Repeat process for other side of throw.

Step 5

The remaining fabric will be gathered neatly.

Disassembly Instructions

Step 2

Remove throw from table and lay flat. Fold throw in thirds lengthwise.

Step 3

Finally, roll the throw onto the packing tube that it shipped with. When completely rolled, pack in a soft case (sold separately).
