

Product Parts

- 1 - Base
- 2 - Connector
- 3 - Pole Insert
- 4 - Split Lock
- 5 - Hex Nut

Display Set-Up

Step 1

Remove the parts from the boxes and place on a clean, flat surface.

Step 2

Open the Base (1) and flip it so that the flat side is laying on the surface. Line up and fit the Connector's (2) knobs into the slots in the Base (1).

Step 3

While holding the Connector (2) in place, put the Base (1) on it's side.

Insert the shorter end of the Pole Insert (3) through the hole of the Base (1) and Connector (2).

Step 4

Place Assembled Base (1) under the vehicle's tire, with a leg in the front and back.

Finish by threading on the Split Lock (4) and Hex Nut (5). Tighten until secure.

Step 5

Slip the pole of your sail sign over the pole on the Cross Base (1) to attach.

Step 6

Your Sail Sign is now ready to display.

Storage

Take apart the Vehicle Base and place all of the base parts along with the sail sign into the Sail Sign's Carry Case. Store in a cool, dry location.

Care

To clean, wipe with damp cloth.
