## **Included in Your Kit:**

# **Monitor Mount Assembly Step 1**

### For this step you will need:

 Locate the stickers on the Embrace monitor mount accessory brackets and adjust them so that they are rotated to the correct orientation.

2. Using the stickers as a guide, align the accessory brackets and monitor bracket to their proper location before assembling.

# **Monitor Mount Assembly Step 2**

For this step you will need:

Assemble the Embrace monitor mount by attaching the monitor bracket to the accessory brackets using the included screws. Use the color stickers and number labels to help you assemble and know proper orientation of parts.

# **Monitor Mount Assembly Step 3**

For this step you will need:

Assemble the monitor mount to the Embrace frame by first tilting it up and pushing the top of the accessory brackets to the upper Embrace scissors.

Finish the assembly by attaching the bottom of the accessory brackets to the Embrace scissors. You my need to push the brackets up to fit them in place.

**COMPLETE SETUP**
