

POPUP COUNTER SET-UP INSTRUCTIONS

MAGNETIC LOCKING SYSTEM:

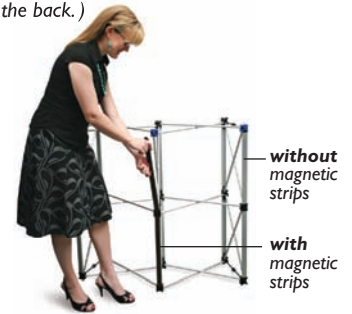

- 1 Open up the frame construction.

- 2 Stand up the construction. The magnetic system will automatically lock.

- 3 Attach the magnetic bars onto the frame. (**Note: The bars WITH magnetic strips** are attached to the both sides of the back and the middle of the front. **The bars WITHOUT magnetic strips** are attached to the both sides of the front and the middle of the back.)

- 4 Put the inside shelves into place.

- 5 Wrap the graphic panel around the front of the construction. Ensure the magnetic tape on panel is properly attached to the magnetic bar on the frame.

- 6 Place the top shelf on top of the frame. Make sure it is interlocked with the knobs on the frame.

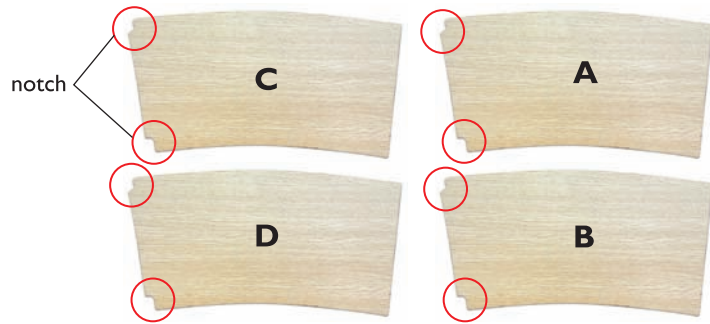

POPUP COUNTER SHELF SET-UP INSTRUCTIONS

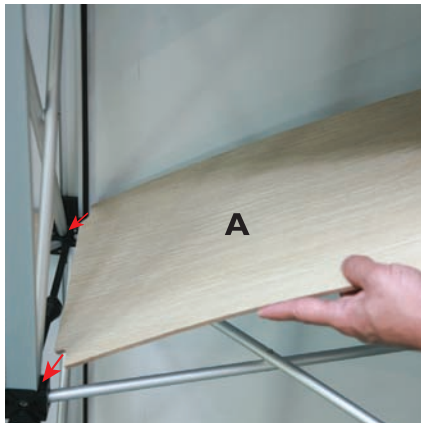

BACK OF POPUP COUNTER

POPUP COUNTER SHELVES:

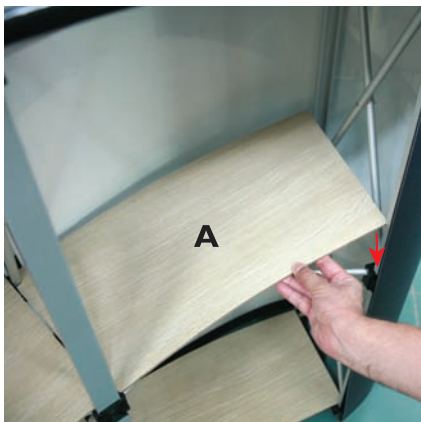

- 1 Tilt Shelf (A) to place it on top of the frame.

- 2 The notches of the shelf should fit with the bars of the frame on the left.

- 3 Let the right side of Shelf (A) sit on the frame. **(Note: This side of frame has no notches.)**

- 4 Shelf (A) is placed on the frame properly. Do the same way for the rest of the shelves. **(Note: The notches of the shelf are always on the left when you place the shelf.)**
