Table (sold sepately)

Graphic Install

Step 1

Set up your table according to the manufactures specifications.

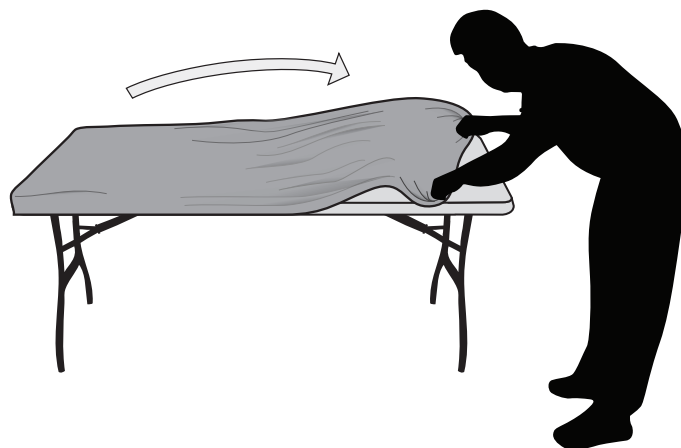

Remove the graphic (1) from the package and locate the short ends of the graphic.

Step 2

Stretch the four corners of the topper over the four corners of the table.

Some slight adjustments may be needed to remove any wrinkles.

NOTE:

The "Table Topper" will also fit over the top of our standard "Ultrafit Table Throws" (shown at top) allowing for more versatility!

This product will fit most standard 6' and 8' banquet-style tables, however, is specially designed to fit our standard 6' and 8' tables.

Storage

Store in a cool dry location.

Care

Machine wash cold, gentle cycle. Air Dry Only
