

It's Showtime In No Time!

STEP 1

Lift up each locking U bracket.
Pivot bracket and place into adjacent slot.

STEP 2

Separate the MyPAL pallet into two halves.

STEP 3

Remove all legs.

STEP 4

Turn both MyPAL pallet halves upside down.

STEP 5

Insert legs into leg openings and tap legs into place.

STEP 6

Turn each pallet half over to create your MyPAL tables.

Simply reverse the process to transform your tables back into a pallet!
