

4-UP CIRCLE PEDESTAL | SETUP INSTRUCTIONS

1

For proper pole alignment, begin by attaching poles to top shelf.

2

Next, position pedestal with top shelf facing down.

3

Slide shelf support panels into place beginning with smallest panels.

4

Alternate panels and inner shelves until you reach the top of the poles.

5

Next, attach bottom shelf with bolts and flip pedestal onto base.

6

Last, insert panels into place by applying tension.
