INDOOR USE **1 YEAR** **LIFE TIME**

PRODUCT DESCRIPTION

Introducing our newest EZ Tube Display, the EZ Pillar! This display is very light-weight and is an excellent attention grabber due to its sheer size. The aluminum frame is completely tool free and easily assembled by snapping all of the individual tubes together. The graphic slides over the frame, pulled down until taut, and then is zipped closed. A durable case with wheels for easy transport is included. Grab all the attention at your next show with this massive display!

SETUP INSTRUCTIONS

A. Vertical Tubing

Push down on the button and insert into the receiving tube until the button snaps in place. Match the labels, located on the ends of every piece(ex:T1:T1,T4:T4,etc.).
B. Top and Bottom Tubing

Assemble the top and bottom sections the same way as the vertical tubing. Push, insert, and snap. Match the labels found at each end.

C. Attach Top and Bottom to Vertical Tubing

Attach the top and bottom sections to the vertical tubing, which screw into the ends of each vertical tube. Allen key is supplied.

1. Drape

Drape the top of the frame, starting with the open end (bottom) of the graphic.

2. Pull

Pull the graphic all the way down until taut.

3. Zip

Zip the bottom shut to maximize tension. The graphic install is complete.
