

# Indoor Pop & Lock Frames

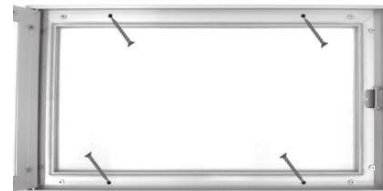

Available Sizes.

## Display Setup

### Step 1

Find desired location to securely mount the frame. The Hardware (2/3) provided, intended for securing to wood or wallboard. Open the display and pass supplied Screws (3) through holes in Frame (1) and tighten into provided Wall Anchors (2) or solid surface.

### Step 2

Center your graphic in Frame (1), close and lock the cover

### Safety Note:

Frame (1) can be mounted with hinge in any location, however we recommend having the hinge placed to either the left or right side to prevent damage to cover.

## Care

Use glass cleaner and wipe with dry cloth for hardware.
