

MODify Riser 02

MODify™ is a one-of-a-kind Modular Merchandising System that is made up of interchangeable fixtures and accessories that can be easily assembled, disassembled, and rearranged to create a variety of different display configurations. The MODify system incorporates SEG push-fit fabric graphics that enable you to brand, promote and merchandise with ease.

Crafted from durable steel, the MODify Riser 02 is easy to transport and set up. The sturdy construction ensures that your merchandise will remain secure and stable, even when handling heavier items. The optional magnetic graphic offers endless possibilities for branding and messaging on all sides.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications
